**updated 10/7/2020**

**Parking Restrictions will be still in effect after Labor Day and continue through further notice.**

**Staff will be at the entrances checking for stickers.**

First Selectman Ken Kellogg has ordered that parking at Wolfe Park and Great Hollow Lake be restricted to Monroe residents as of April 1, 2020.

This is due to the Covid-19 situation we are all facing.

You must have a valid park sticker on your car for staff to see at the entrances.

Individuals are still welcomed at Great Hollow Lake to fish by showing a valid 2020 CT DEEP Fishing License at the entrance gate and the fishing areas to staff.

**PLEASE CONTINUE to follow requirements to maintain social distancing, so that we may continue to allow for the safe use of our open space.**

**Pets and Bikes are only allowed on the Rails to Trails path.**

**Please follow all posted rules at the park and follow staff instructions.**

**The grace period for not having the correct sticker ended on July 15, 2020. Contact Parks and Recreation at 203-452-2806 x 1412 to obtain your sticker.**

**LICENSE PLATE NUMBERS/LETTERS MUST MATCH THE VEHICLE**

**Thank you for your cooperation!**
