Looking for financial information for tax purposes? Please follow these simple steps below to access that information directly from your household account:

Visit [www.MonroeRec.org](http://www.MonroeRec.org) and log in to your household account and click on the **Finance** tab.

Once you click on that finance link the previous years invoices will populate.

If you click on the **invoice number**, a screen will open indicating registrant, activity and your payment amount.

To print the receipt and view the tax ID number please click on the clipboard with the red check
