This is a reminder that the town is in the third year of sending out park stickers in your car tax bill. This comes out in June. Monroe residents must have their car registered in Monroe in order to receive this.

A valid Wolfe Park sticker is required to park your vehicle at either side of the park from Memorial Day through Labor Day (May 29, 2021-September 6, 2021)

If you do not have the current **RED sticker, please contact our office 203-452-2806 or the tax collector's office 203-452-2804 to get one. *You will need proof of residency and a valid car registration that indicates that your vehicle is registered in Monroe.* This sticker is available for Monroe residents/Monroe Business owners and must be placed on your driver's side windshield when coming to the entrance. Staff will be checking for the correct sticker. The new **GREEN** sticker has not been mailed out yet and will not be available until the new tax bills are mailed.**

Thank you for your cooperation!
